SAILING TOWARD A BRIGHTER FUTURE.

Our mission is to continually improve our sustainability culture through fresh innovation, progressive education and open collaboration.

SAIL  SUSTAIN

OUR ENVIRONMENTAL COMMITMENT

Our environmental commitment is continually evolving and expanding into additional areas of our operations, both shipboard and shoreside. Our industry is inextricably linked to the condition of our oceans and as such, continual improvement is one of our core responsibilities.

In line with this accountability comes our commitment to preventing accidents and incidents involving pollution, reducing the environmental impact of our operations, managing waste through methods that promote recycling and reusing materials and ensuring continual refinement of our ISO 14001 certification objectives and targets.

FOCUS AREAS

WATER CONSERVATION & ONBOARD PRODUCTION

Through a combination of onboard initiatives and progressive technologies, our ships are consistently improving their water production rates while working to decrease consumption and environmental impact.

- Our ships produce more than 80% of their water on board.
- Across our fleet, water conservation efforts on board can result in up to approximately 30% less water consumption per person, per day compared to the U.S. national average.
- Wastewater is treated on board prior to discharge, resulting in effluent that meets or exceeds international regulations and many municipal wastewater facility standards.

PARTNERSHIPS

Through our outreach initiatives and corporate partnerships, we remain committed to having a positive impact on our local communities, the communities we visit and on the local ecosystems through which we cruise. Just a few examples include:

- **JUST® Water** – This exciting, ground-breaking partnership has eliminated all single-use plastic water bottles across Norwegian Cruise Line's fleet.
- **Ocean Conservancy** – We build on our global sustainability programme by joining several of the world's leading corporations and organizations in Ocean Conservancy's Trash Free Seas Alliance® to support our shared vision of a world with waterways, beaches and oceans free of plastic waste.
- **Coral reef restoration** – NCL has developed a unique partnership with Nova Southeastern University (NSU) to restore the coral reef located in the waters surrounding our private island in the Bahamas, Great Stirrup Cay.

OUR ENVIRONMENTAL OBJECTIVES

- Reduce our CO₂ Emissions Rate
- Increase Our Sustainable Sourcing
- Minimize Waste to Landfills
- Invest in Emerging Technologies

ENVIRONMENTAL OFFICERS

Every ship in our fleet is required to sail with an Environmental Officer (EO) whose job includes the implementation, training, oversight and verification of shipboard environmental compliance, in addition to providing shoreside assistance for developing environmental policies and procedures.

WASTE MITIGATION & RECYCLING

Our company's progressive waste mitigation programme lessens the environmental impact of our operations, reduces pollution, promotes diversion of material from landfills, conserves natural resources and saves energy through reusing and recycling.

- As reported by the Cruise Lines International Association (CLIA), cruise lines recycle 60% more waste per person than the average person on land each day.
- Our state-of-the-art recycling facilities operate 24/7 on each ship and maximize efforts for efficient recycling ashore.

FUEL & ENERGY EFFICIENCY

To mitigate actions that may negatively impact our climate and reduce our impact on the environment and the oceans, we have put in place several initiatives aimed at lowering energy consumption and therefore reducing our carbon footprint.

- **Exhaust Gas Cleaning System** – 11 of our ships are equipped with this innovative technology that reduces the amount of sulfur oxide (SOx) by up to 99%.
- **Energy saving** – More than 10% on propulsion power is saved due to propulsion hydro dynamic upgrades and low friction silicone paint being applied on the hull.
- **Cold-Ironing** – 35% of our fleet is equipped with shore power technology to connect the ship to electrical power while in port where applicable infrastructure is in place.
- We have joined an industry commitment to reduce the carbon emissions rate across the aggregate industry fleet by 40% by 2030.

BAHAMAS & FLORIDA

Find your endless summer when you sail to the Bahamas & Florida. Slip away on a 3-, 4- or 5-day cruise from Miami or Tampa. Or pack up the kids for an exciting 7-day sailing from New York that includes a stop near Orlando's famous theme parks, as well as our private island, Great Stirrup Cay. Splash the day away in the private lagoon and beach. Unwind with a hot-stone massage at Mandara Spa, then kick back in your luxurious Ocean Villa. Do it all – or nothing at all. That's how we do it in the Bahamas.

BERMUDA

Pink-sand beaches. Turquoise waters. Tangerine sunsets. Come aboard our award-winning ships and discover a kaleidoscope of colours in Bermuda. When you arrive in paradise, you'll have plenty of time to explore. So make it a family beach day on beautiful Horseshoe Bay. Grab a snorkel and dive into an underwater world filled with tropical fish of every colour or discover what's left of the *Montana*, one of hundreds of shipwrecks encircling the islands. When you come up for air, you can do a little shopping as you stroll colonial landmarks. Then sail into the moonlight on a relaxing catamaran ride – and follow the stars instead of a schedule.

Whether you're cruising from New York City, Boston, or Québec City, you'll witness a spectacle from sea to shore that you'll never forget.

EUROPE

Unpack once and wake up to a new European city nearly every day with NCL, Europe's Leading Cruise Line*. Envision the ancient battles that once took place as you enter the Colosseum in Rome. Sit down – or dance around – at a Santorini restaurant and enjoy traditional Greek cuisine, wine, and music. Experience a rare stop in Haifa, visiting the holy sites of Jerusalem, Galilee, and Nazareth. And with your overnight in St. Petersburg, you can take in the vivid onion domes atop churches, explore the immense Hermitage Museum, and spend an evening at the Russian Ballet.

PACIFIC COASTAL

There's something exhilarating about travelling along the Pacific Coast with the roof down, soaking up the sun and enjoying the sea breeze. It's even better on one of our ships. From modern architectural icons that define San Francisco's skyline to the magnificent forested shoreline of Victoria, Canada's "City of Gardens," there's plenty of beauty to behold.

WE'RE GOING THE EXTRA MILE.

Let's set sail together – safer than ever.

Throughout our storied history at Norwegian Cruise Line, the health and well-being of every guest and crew member have been our number one priority. With this in mind, and especially during these uncharted times, we are ever-evolving our already robust safe cruising program. Our enhanced health & safety programme is just the start of a wave of new technologies and enhancements we're rolling out both on board and on shore. We look forward to welcoming you back soon so that you can explore the world with the ultimate Peace of Mind.

ENHANCED SCREENING PROTOCOLS

All guests and crew will undergo a pre-embarkation health screening. There will be touchless temperature checks and monitoring of guests and crew throughout the voyage.

UPGRADED MEDICAL-GRADE AIR FILTERS

Strategic installation of medical-grade air filters to provide cleaner air for our guests. The upgraded H13 HEPA air filters are capable of removing 99.9% of airborne pathogens and are fine enough to catch particles of COVID-19.

INCREASED SANITATION MEASURES

All ships are thoroughly cleaned and disinfected prior to every voyage in accordance with company protocols, which are developed in partnership with the CDC's Vessel Sanitation Program. Our 24/7 prevention schedule will feature continuous disinfection of public areas and high-traffic touch points.

RESPONSIBLE SOCIAL DISTANCING

Guest capacity will be reduced on board all ships in our fleet to enable responsible social distancing measures. In addition, we will modify our check-in process to allow for staggered embarkation and will reduce capacity in all public areas.

ENHANCED MEDICAL RESOURCES

We are enhancing our onboard medical centers to be equipped with testing kits and medical supplies, including onboard testing for COVID-19 as available. Our onboard medical teams will also be increased fleetwide and will include a new dedicated Public Health Officer on every ship.

SHIP TO SHORE HEALTH AND SAFETY

We are collaborating with local destinations and tour operators around the globe to extend our robust health and sanitation protocols to the shoreside experience. Embarkation terminals, tour coaches, and the attractions we visit must have appropriate health and safety protocols in place.

FREQUENTLY ASKED QUESTIONS.

ALL GUESTS PLEASE VISIT WWW.NCL.EU FOR FURTHER DETAILS, RELATED FORMS AND INTERNET LINKS.

BEFORE YOU CRUISE

WHAT DO I HAVE TO CONSIDER WHEN CHOOSING A TRAVEL DATE AND STATEROOM?

When deciding on your travel date, you should take into account any circumstances or events that may have an influence on your cruise experience, for example school holidays, spring break, local public holidays, special sports events, etc. When choosing your stateroom please consider whether you'd like to have for example an oceanview, open balcony or enclosed balcony. Also please consider that some staterooms – especially those on lower decks – may be slightly noisier than others due to the operation of the engines. The same applies to staterooms close to nightclubs, lifts or staircases, kitchen galleys, fitness centres, kids and teens facilities and when tender boats are in operation (for details see deck plans on www.ncl.com).

WHAT IS A GUARANTEE STATEROOM?

A Guarantee stateroom (GTY) is one where there is no stateroom number assigned at the time of booking. A stateroom may be assigned any time after final payment has been received, up to the day of sailing. A Guarantee stateroom guarantees you a stateroom in the category you have paid for (Inside, Oceanview, etc.). It does not guarantee deck, location or specific bed arrangements. No changes will be made once a stateroom has been assigned.

WHAT SHALL I PACK?

The atmosphere on our modern ships is neither too dressy, nor too casual. In fact, you'll find that there are really only two types of attire you'll need. The atmosphere in the mid-ship main dining room, the buffet and most of our speciality restaurants is contemporary, so cruise casual attire is perfect. If you choose the more sophisticated atmosphere of the aft main dining room or select speciality restaurants, we ask you to wear smart casual attire.

Norwegian's Night Out is the perfect opportunity to get dressed up for an evening of cocktails, fine dining and great entertainment. You may also want to pack all-white for our iconic H₂GLOW Party. And we recommend packing a sweater/pashmina too as some guests find the air conditioning a bit chilly.

As all your suitcases are collected the night before we return home, don't forget to bring an overnight bag for prescriptions and need-to-have items.

HOW MANY SUITCASES CAN I TAKE?

Each guest is allowed up to two pieces of checked luggage, each with a 22 kg maximum. If travelling by air, remember that airlines have their own checked baggage and hand luggage restrictions, so please check these before travel. Airlines and NCL have limited liability for any loss or damage under international convention, so be sure all baggage and personal belongings are properly insured. Suitcases should be tagged. Medicines in their original containers, jewellery, fragile items, valuables and important documents should be carried in your hand luggage. If you are bringing your wheelchair, check with your airline for any restrictions they may have.

WHICH ITEMS ARE NOT PERMITTED ON BOARD?

Guests are not allowed to bring any intoxicating liquors/beverages, travel irons, firearms, weapons of any kind, ammunition, explosive substances or any goods of a dangerous nature on board. Animals of any kind are not allowed on board, except service or guide animals, provided the guest notifies NCL prior to the cruise of their intention to bring such an animal and complies with all applicable conditions. Such guests must also agree to take sole responsibility for any expense, damage, injuries or losses associated with or caused by such an animal.

WHAT ARE PASSPORT AND VISA REQUIREMENTS?

Guests are responsible for ensuring they fulfil all passport and visa requirements for all countries visited during the cruise and when travelling to and from the port of embarkation/disembarkation. EU citizens need a full

e-Passport issued by an EU member state (also applicable for children of any age). A passport is also required for all European sailings (exception: citizens of Schengen States cruising on itineraries that do not leave EU territory). For further information please visit www.ncl.eu/visa-requirements.

The United States Visa Waiver Programme (VWP) enables eligible citizens and nationals of designated countries to travel to the U.S. for tourism and business stays of 90 days or less without first obtaining a visa. Travellers who do not qualify for the VWP must obtain a visa to travel to the U.S. Should you need to obtain a visa, please be sure to apply for a multiple entry visa.

The Electronic System for Travel Authorisation (ESTA) is effective for citizens and eligible nationals of VWP countries to apply for advance authorisation to travel to the United States under the VWP. ESTA stipulates that all Visa Waiver Programme travellers are required to obtain via the internet (<https://esta.cbp.dhs.gov>) an electronic travel authorisation prior to boarding a carrier to travel by air or sea to the U.S. under the VWP. Countries currently enrolled in the VWP include Germany, Belgium, Denmark, Finland, France, Italy, the Netherlands, Norway, Portugal and Sweden, among others, but not all EU member states. ESTA authorisations are valid for multiple entries within two years (or less if the passport expires during this period). Please note that U.S. authorities will charge a fee of US\$14 per person (status: December 2020) for travel authorisation. This fee has to be paid by credit card during the application process. Additional information regarding the VWP and ESTA is available at www.cbp.gov/esta. For U.S.-bound Atlantic Crossings, we strongly advise guests to print out their ESTA before travelling, as this is a requirement at check-in before you can board the ship.

All travellers (including children) must have an e-Passport to use the Visa Waiver Programme. An e-Passport, denoted by the respective symbol, is an enhanced secure passport with an embedded electronic chip. E-Passports are issued by the proper passport issuing authority and must meet international standards for securing and storing information corresponding to the passport and bearer. Further information can be found on <https://www.cbp.gov/>.

Please be aware that immigration and visa regulations are subject to change. For current information, please visit <https://travel.state.gov/content/travel/en/us-visas.html> or check with your travel agent and the respective embassies or consulates. The information above refers to the status at the time of printing. It is assumed that the traveller is a citizen of a Visa Waiver Programme country. For all citizens of non-Visa Waiver Programme countries, you will have to check individual treaties between your state and the U.S. Government and whether you have to apply for a special tourist visa with the U.S. embassy of your home state. Please consider that the application for a visa could take up to three months. To check participation of your state in the Visa Waiver Programme please refer to <https://www.cbp.gov/travel/international-visitors/frequently-asked-questions-about-visa-waiver-program-vwp-and-electronic-system-travel>.

Similar to the U.S. VWP, since 15 October 2016, Canada requires visa-exempt foreign nationals who fly to or via Canada to obtain an Electronic Travel Authorisation (eTA) prior to travel for a fee of CAD 7 per person. The eTA is valid for multiple entries within five years (or less if the passport expires during this period). For information please visit www.cic.gc.ca/english/visit.

Effective 1 October 2019, travellers to New Zealand must have an Electronic Travel Authority (ETA), which can be requested through the ETA mobile app (cost NZ\$ 9) or the Immigration NZ website (cost NZ\$ 12) and is valid for two years.

All travellers who are not citizens of a VWP country please check your individual passport and immigration / visa requirements with your travel agent and the respective embassies or consulates. Personal circumstances cannot be considered. We will try within our means to inform you of the applicable requirements. During most cruises, NCL personnel will need to retain your passport. You therefore

must carry a second government-issued photo ID with you at all times. It is the sole responsibility of the guest to provide all necessary documentation. Guests are not entitled to a refund if entry into any foreign territory or boarding is denied by immigration officials or NCL personnel for lack of proper documents.

The American Transportation Security Administration (TSA) has implemented the Secure Flight Programme for international air traffic. This programme intends to reduce the instances of misidentification of the authorised travel passengers to the U.S. as well as to enhance the security of air travel. Within this programme, all airlines commit to transmit the following Secure Flight Passenger Data (SFPD) from travellers who are arriving in and/or departing from the U.S. to the U.S. Department of Homeland Security: Full name as per valid government-issued passport (including middle name, initials, etc.), date of birth, gender and Redress Number (if applicable). Therefore, we ask all guests to check their confirmation carefully. In case of any incorrect data appearing on the confirmation, please contact our reservations department. If there is no client data available at the time of booking, NCL will use the data from the Online Check-In. For further information on the Secure Flight Programme please visit <http://www.tsa.gov/secureflight>. Providing the Secure Flight Data does not release you from the obligation to apply for the advanced authorisation to travel to the U.S. under the ESTA programme or to obtain a visa if the VWP does not apply to your visit.

A visa is required for some of the destinations visited on the cruises on pages 26-29, 36-49 and 78-81. The relevant information can be found here: CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). The required visas can be requested via the visa and passport service provider CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). If you would like to explore St. Petersburg individually, you can also request the corresponding visa via CIBTvisas. Guests are responsible for ensuring they are in possession of all relevant documentation and visas for the entire cruise itinerary including all ports of call.

Customs allowances may vary depending on the itinerary. Please check on board, with your Ministry of Foreign Affairs or with the respective customs authorities for the most up-to-date information.

ADDITIONAL INFORMATION DURING THE COVID-19 PANDEMIC

The current situation in respect of all international travel is unpredictable and liable to change at any time, both before and after you leave home. As countries continue to deal with the challenges posed by Covid-19, entry requirements and restrictions are likely to change regularly and at short notice. Entry requirements for any country may also be different depending on factors such as your country of residence, the route you have travelled to get there and the form of transport you arrive on. In addition there are a number of different testing and registration requirements in place, also for destinations that are not subject to a travel warning. This situation means that while we try within our means to inform you about entry regulations as valid at the time of booking, however, as regulations may change quickly and new travel restrictions may be imposed – even just shortly before you travel – that information on our website may be changed shortly after your booking. Therefore, we have to ask all guests to check entry and other official requirements for all countries to or through which you are travelling, as well as any requirements applicable on your return to your home country, at the time of booking and in good time before and close to departure. You must also keep up to date with this information while you are away. Please check with your Ministry of Foreign Affairs for the latest information.

WILL I NEED TRAVEL INSURANCE?

NCL's liability is limited by international conventions and EU regulations, as well as its terms and conditions of carriage. We therefore recommend purchasing appropriate travel, health and luggage insurance before your cruise.

WHAT ARE NCL'S AGE REQUIREMENTS?

All requirements stated below apply at the time of embarkation. Infants sailing on board an NCL vessel must be at least six months of age. However, for voyages that have three or more consecutive days at sea, the infant must be at least 12 months old.

158 FREQUENTLY ASKED QUESTIONS

When on board, a minor is defined as an individual under 18 years of age at the time of embarkation. A young adult is defined as an individual between the ages of 18 and 20. Please note that this does not relate to child pricing, where the age is 2-17 years old.

Company policy states that on itineraries that include a port in the United States of America, Canada or China guests under 21 years of age must be accompanied in the same, connecting, or side by side stateroom by a guest who is 21 years of age or older at the time of embarkation (staterooms opposite of each other are not applicable under this policy). For all other cruises this regulation applies to all guests under 18 years of age with the exception of guests who are citizens of the United States of America, Canada or China. For guests under the age of 18 travelling with an accompanying adult who is not the minor's parent or legal guardian, a Parent/Guardian Release Form is available at: www.ncl.eu/ParentGuardianForm, which authorises the minor's travel and further authorises medical treatment in case of an emergency and must be given to an NCL representative at the pier during check-in. Failure to present the completed form at embarkation may result in boarding being denied, with no refund provided.

On cruises that include a Canadian port, guests under 18 travelling with a single parent have to provide a letter of approval (preferably notarised) from the parent not travelling. Note: Two people under the age of 21 may travel together in the same stateroom if they are a married couple and provide proof of marriage to an NCL representative at the pier before embarkation.

Children under 16 years of age are not allowed to enter the fitness centre. The minimum age for use of the Casino and the Thermal Spa (sauna, steam room, hot tubs) is 18. Some bars and lounges on some of our ships, for example Spice H₂O, are adult only (18 and over). Lifeguards monitor the family pools during scheduled pool hours. However, it is strongly recommended that all children under 12 have adult supervision at all times. The safety of all children (up to the age of 18) is the responsibility of their parent(s) or other accompanying adult(s) irrespective of whether a lifeguard is on duty. For safety reasons children must not be left unattended on board when their parents or other accompanying adults go ashore.

WHAT ABOUT GUESTS WITH REDUCED MOBILITY, DISABILITIES OR MEDICAL CONDITIONS?

We welcome guests with special needs. The information you are provided with about your holiday (which may be on our website, in our brochures or elsewhere) before you make your booking will include a general indication of the suitability of the holiday for someone with reduced mobility. However, reduced mobility of course means different things to different individuals, as we fully appreciate that individual capabilities, restrictions and requirements will vary considerably. If you suffer from reduced mobility or any medical condition or disability which may affect your holiday, please give us full details before booking so that we can provide you with precise information as to the suitability of the holiday taking into account your specific needs. Guests who have significant mobility impairments should travel with someone who will take responsibility for any assistance needed during the cruise and in the event of an emergency. Any assistance provided by NCL, its team members or service providers does not form part of the contracted services unless agreed differently in writing or where required by legal regulations (for example, in accordance with EU regulation 1107/2006 dated 5 July 2006 on the rights of disabled persons and persons with reduced mobility when travelling by air and EU regulation 1177/2010 dated 24 November 2010 concerning the rights of passengers when travelling by sea). Any special requirements which we have accepted will be specifically confirmed as accepted on your confirmation invoice. Unless and until specifically confirmed as accepted, all special requests and requirements are subject to availability and do not form part of the contracted services.

We have a limited number of staterooms per ship that are wheelchair accessible with grab rails in the bathrooms, lower sinks and toilets, shower seats, raised beds, adjustable hanging rods in wardrobes, tilting mirrors and extra wide doors for easy access. If you do use a wheelchair, you must bring your own and it must be collapsible. If you do not wish to bring your own wheelchair on board, please contact our U.S.-based supplier Scootaround on 001 888 441 7575 to arrange delivery of one to the ship. All wheelchairs and scooters must be stored in your stateroom; they cannot be left in the hallway or any other public area.

When a ship is unable to dock, guests are taken ashore on smaller boats called tenders (see separate point Tender Ports). Some guests with limited mobility may find it difficult to embark or disembark the ship at certain times whilst at dock or whilst tendering. To ensure the safety of our guests and crew, wheelchairs may not be used to transfer from the ship to a tender. Guests in wheelchairs may consequently not be able to participate in certain activities or shore excursions in tender ports.

NCL can only accept certain types of wheelchairs on board. Please see www.ncl.eu/accessible-cruising for further information. All guests who require medical equipment to be brought on board must advise NCL before sailing. Failure to do so may result in equipment not being cleared before departure.

Guests who need oxygen or require oxygen therapy are welcome on all NCL ships; however, you must supply your own oxygen. U.S.-based Scootaround is the only company allowed to deliver and supply oxygen to NCL ships. Let us know at the time of booking that you'll be bringing oxygen on board, then contact Scootaround on 001 888 441 7575 to arrange delivery to the ship.

Any physical challenge or medical condition that requires special treatment or attention must be reported to NCL at the time of booking. For certain conditions we ask for medical declaration and liability forms. Due to unpredictable circumstances at sea, NCL must reserve the right to refuse or revoke passage to anyone who, based upon objective standards, is in a physical or mental condition that jeopardises the safe operation of the vessel, who poses a direct threat to the health or safety of others or who may require care beyond that which NCL can provide.

For guests with diabetes, refrigerators suitable for storing insulin are available in all staterooms except Studios (categories T1).

If you are on a low calorie diet, breakfast, lunch and dinner menus feature low calorie, haute cuisine dishes. Sugar-free and fat-free desserts are also available. Gluten-free, lactose-free, sodium-free, Kosher and dairy-free diets can also be catered for and must be requested at least two months before your cruise. For further information visit www.ncl.eu.

WHAT IF I'M PREGNANT?

NCL will make every effort to accommodate you. However, to ensure your medical safety you must complete all travel before the 24th week of pregnancy. A medical certificate establishing your due date and fitness to travel is required prior to the cruise. Please be aware that NCL will not be liable if you are denied boarding at the port nor will we be responsible or liable for any complications of pregnancy that occur during the cruise.

WHICH VACCINATIONS MIGHT BE NECESSARY?

NCL will inform you at the time of booking about officially required immunisations necessary for entry into the countries visited during your cruise. However, since recommended immunisations and other health precautions often change, we suggest that you contact your physician, the local public health department or the Centre for Disease Control approximately, but not less than, six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information. For further information please visit www.ncl.eu/vaccinations.

WHAT IS ONLINE CHECK-IN?

In order to comply with government regulations covering departure manifests, be sure to register online through our website (www.ncl.eu) after you have paid in full and before you leave on your NCL holiday. We strongly recommend that guests complete their Online Check-In at least one day before sailing, as otherwise they may be subject to an extended check-in procedure at the cruise terminal or may even be denied boarding.

WHAT DOES MY CRUISE FARE INCLUDE?

At NCL, we offer two simple price models (see p. 20 as well as ncl.com/free-at-sea for details): our base fare that is available in all stateroom categories and already includes a variety of services as your accommodation, meals in the main dining rooms, snack- and buffet restaurants, all entertainment unless part of a dining entertainment production aboard the ship, numerous activities on board, the use of many onboard facilities as well as all government fees

and port taxes. In addition, guests travelling in Studios, Inside, Oceanview and Balcony Staterooms as well as Club Balcony Suites can upgrade their cruise with our Free at Sea offer (upcharge between € 79 and € 249 depending on the length of the cruise). Family and Friends pay taxes only: available on select sailings, valid for guests three and four in the stateroom. Guests sailing in the luxurious Suites and The Haven Suites benefit from all five choices already included in the cruise fare.

Not included in the base fare nor in any of the Free at Sea packages are certain exclusive alcoholic beverages, drinks from the mini-bar, speciality coffees, bottled water or in carton, the convenience charge for room service orders (not applicable to continental breakfast selections until 10:00 hrs or to The Haven and Suite guests with butler service), spa and beauty treatments, use of the spa facilities (not applicable to Spa staterooms), bowling alleys, racetrack and lasertag, casino play, full shore excursions, certain fitness classes, certain onboard seminars, dry cleaning and laundry, purchases in our shops on board as well as from Dolce Gelato on Breakaway-Class ships, Coco's, speciality cakes and pastries, photographs, ship-to-shore-phone, e-mail and internet above the included minutes, faxes as well as gratuities and personal expenses.

The speciality restaurants have à la carte pricing or a cover charge (see www.ncl.eu for details). A 20% gratuity and speciality dining service charge applies (does not apply if speciality dining package is chosen within Free at Sea).

Please note that in order to comply with Spanish and Italian tax regulations we are required to charge Spanish/Italian VAT on applicable retail items purchased on board cruises from/to Barcelona, Venice and Rome (Civitavecchia), as well as on all other cruises whilst the ship is in Spanish or Italian waters.

Please note that for cruises to/from Australia, Australian VAT has to be charged for all entertainment, drink and dining packages, spa and wellness treatments as well as shore excursions and further additional services (both if pre-booked and purchased on board).

Please note that the information provided in this paragraph is correct at the time of going to print but subject to change.

HOW TO HONOUR GOOD SERVICE.

We are confident that you will enjoy your Freestyle Cruising experience and that our entire crew will provide you with the standard of service for which we are known. A discretionary service charge will be automatically added per guest per day (for guests three years and older) to your shipboard account for all staterooms: US\$ 15.50 per guest per day (for guests 3 years and older) for Studios, Inside, Oceanview and Balcony Staterooms as well as Club Balcony Suites. For Suites and The Haven Suites, the service charge will be US\$ 18.50 per guest per day (for guests 3 years and older). This charge will be shared among those staff members, including the restaurant staff, stateroom stewards and other behind-the-scenes staff who provide services that enhance your overall cruise experience.

These service charges can be paid in advance of your cruise. If you have any concerns about the service you receive during your cruise, please let our onboard Guest Services Desk staff know right away, so we can address any issues in a timely manner. In the unlikely event that we can't resolve your issue, you can have the service charge adjusted on board. Where your service charge has been pre-paid before departure, refunds are not available on board and you must

apply for a refund, if applicable, after you return home by writing to our Guest Relations department.

Certain staff positions (e.g., concierge, butler, youth programme staff and beverage service) provide service on an individual basis to only some guests and do not benefit from the overall service charge. We encourage those guests to acknowledge good service from these staff members with appropriate gratuities.

Additionally, there is a 20% gratuity and spa service charge added for all spa and salon services, as well as a 20% gratuity and beverage service charge added for all beverage purchases and a 20% gratuity and speciality service charge added to all speciality restaurant dining and entertainment based dining e.g. Cirque Dreams® and Dinner (does not apply to Free at Sea dining and drinks packages).

ON BOARD

WHEN CAN I BOARD THE SHIP?

Please be advised that our current guidance on embarkation day is all guests must be onboard the ship no later than two (2) hours prior to the departure time noted on their cruise document or they will not be permitted to sail. To ensure the health and safety of all our guests and crew during the current unprecedented times, NCL is constantly reviewing health and safety measures. As a result, the advice given on embarkation time may be subject to change and will be communicated for each sailing including but not limited to specific embarkation windows or an earlier embarkation time cut off.

Boarding Time in Ports of Call: In all ports of call, it is also the guest's responsibility to be back on board the ship no later than one hour prior to the ship's scheduled departure time (changes might be possible due to the current situation). Please be aware that shipboard time may differ from the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to rejoin the ship.

WHAT ABOUT CURRENCY AND HOW DO I PAY FOR MY EXTRAS ON BOARD?

The currency used on board our ships is US\$. We've made paying for onboard expenses very easy. When you check in you open a shipboard account by registering a major credit card such as VISA®, MasterCard® or American Express®. Please be advised that an initial as well as multiple holds will be placed on your card account based on your onboard purchases. This will reduce the amount of available credit on the card. After settling your onboard folio, these card holds may remain on your account for up to 30 days after the cruise ends. Authorisation-hold releases are solely within the discretion of your lending institution. If you prefer to pay by cash or traveller's cheques, a suggested deposit for a 7-day cruise is US\$ 300 per person, US\$ 150 per person for cruises up to 6 days or US\$ 450 per person for cruises of 8 days and more at check-in (subject to change). Then, you simply sign for your personal expenses as you go and they will be charged to your account.

Personal cheques, debit cards or currencies other than the US\$ cannot be accepted on board, except on our European cruises where deposits in Euros are accepted. Any excess deposit will be refunded at the end of the cruise in US\$. Please note that should you wish to change this excess deposit to Euros, a foreign exchange fee will apply. Please also keep in mind that it's always worth having a small amount of local currency for immediate expenses on arrival at your destination and for any purchases you make at your ports of call. Most major credit cards are accepted in the ports we visit.

IS THERE A DOCTOR ON BOARD?

A doctor and nurse are on each ship to provide medical care and services at customary charges. Please note that the medical facilities are designed to provide basic medical care and guests may have to be evacuated at their own expense in the event of serious illness. Please be aware that there is no dentist on board. NCL does not have the equipment on board to assist guests with any type of dialysis treatment. NCL has its own charging system similar to shoreside facilities in the U.S. and we do follow standard medical care, so please ensure you have appropriate travel insurance.

CAN I SMOKE ON BOARD?

We want you to be comfortable on board, so staterooms and public areas throughout all our ships are smoke-free. If you smoke cigarettes, you can do so in the Casino (players only) or in the Cigar Bar (where available). If you prefer pipes or cigars, you can smoke in the Cigar Bar or designated smoking lounge. Also, you can smoke cigarettes, pipes and cigars in outdoor public guest spaces and open decks where designated by the appropriate signage. Please be aware that electronic cigarettes cannot be used in public areas where there is a no smoking policy in force. Smoking inside your stateroom or on your balcony will result in a US\$ 250 cleaning charge added to your onboard account. Please note that some countries have imposed a ban on electronic cigarettes.

WHAT ABOUT ALCOHOL CONSUMPTION AND WINE CORKAGE?

On itineraries that include ports of call in the U.S., Canada or China, guests must be 21 years of age or older to purchase or consume alcohol. Within the Premium Beverage Package (either chosen as part of Free at Sea or purchased separately) alcoholic beverages are only included for guests 21 years of age and older in these destinations. On all other cruises this regulation applies to guests aged 18 years and above with the exception of guests who are U.S., Canadian and Chinese nationals. On cruises that include ports of call in the U.S., Canada or China and with the exception of Alaska and Hawai'i itineraries, NCL permits young adults between 18 and 20 years of age to purchase and personally consume wine and beer only while on board and with the consent of an accompanying parent. Authorisation will be given only when the accompanying parent completes the Young Adult Alcoholic Beverage Waiver form. This form can be obtained and completed at the Guest Services Desk on embarkation.

All guests are prohibited from bringing alcohol on board our ships with the exception of champagne and wine. If you purchase any alcohol at one of our ports of call or in our onboard shops, we will safely store your purchase(s) and on the final night of the cruise it will be available for pickup in a designated area. Please note that for wine and champagne brought on board by you, a corkage fee will apply if consumed on board.

NCL encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates NCL's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of NCL's alcohol policy may result in immediate disembarkation.

HOW DO I GET ASHORE?

In most ports your ship docks right alongside the quay and you simply walk ashore. At a few ports listed in the overview below (status: December 2020), we drop anchor at sea and you go ashore in the ship's small boats – called tenders – which offer a complimentary shuttle service to and from the port.

You can also stay connected on the high seas using your own compatible mobile phone. International roaming charges are billed to your home account. Final rates are determined by your service provider and not NCL. For further information please check your provider directly.

WHICH LANGUAGE IS SPOKEN ON BOARD?

The main language used on board is English. However, we offer our international guest service in French and Italian on all sailings in Europe and select worldwide itineraries. Please visit www.it.ncl.eu and www.ncl.fr, respectively, for further information.

HOW ABOUT SAFETY AND SECURITY?

NCL adheres to the highest standard of shipbuilding in the world. All our ships meet the most current SOLAS specifications. Our ships also pass annual government safety and sanitation inspections. On the first day of your cruise, you will be asked to take part in an obligatory life boat drill, where you will learn what to do in case of an emergency (see back of your stateroom door for more information). All NCL ships are fully stabilised for the smoothest possible cruising.

WHAT HAPPENS ON THE LAST DAY OF MY CRUISE?

When the ship has been cleared, you will proceed through customs and immigration and continue with your independent arrangements. Please ensure that you have arranged for an adequate flight time considering customs and immigration procedures (approx. 2 hours) and the transfer time to the airport. In some ports you can take advantage of our "Easy Walk-Off". This means you can leave the ship as soon as it is cleared by local authorities, carrying all your luggage off the vessel.

By seeking confirmation of your booking, we are entitled to assume that you have done so and accept these as the basis of your contract. A binding contract between us comes

Entering into this binding contract marks the start of an ongoing business relationship between you and NCL (Bahamas) Ltd. As part of this relationship we may use the personal information you provided to us as part of this booking to provide you with periodic NCL (Bahamas) Ltd. cruise updates and offers and we ask that you advise us if you would not like to receive these.

For any other travel arrangements which form part of your holiday with us to which any international convention or EU regulation applies, our liability will be limited as if we were the carrier in question entitled to rely on the applicable convention or regulation (for example, the Warsaw Convention as amended or unamended, the Montreal Convention and/or EC Regulation 889/2002 on Air Carrier Liability in relation to travel by air). Our full Terms and Conditions contain other limitations and exclusions of our liability to you as well as the time limits which apply for notifying and bringing any claim.

Financial security to ensure you receive a refund of monies paid to us and/or to cover your necessary expenses for your early return home in the event your cruise cannot be provided due to our insolvency is

EU citizens require a machine readable passport (ePassport) issued by an EU member state. A passport is also required for all European sailings (exception: citizens of Schengen States cruising on itineraries that do not leave EU territory). EU citizens with an EU passport will be advised of current passport, visa and health requirements prior to travel. This information is also shown on our website. Requirements may change. You must complete your Online Check-In at www.ncl.eu (including passport data) latest until one (1) day prior to sailing as stated on your travel confirmation. If registration is not completed before departure boarding can be denied.

In the event of any flight delay or cancellation, the airline is responsible for providing such assistance as is legally required by EC Regulation 261/2004, where applicable. Where your cruise departs from a port in the EU, we will comply with EU regulation 1177/2010 in the event of delay or cancellation.
